Guide to Information available through the Model Publication Scheme

The Freedom of Information (Scotland) Act 2002 requires Scottish public authorities to produce and maintain a publication scheme. Authorities are under a legal obligation to:

- publish the classes of information that they make routinely available
- tell the public how to access the information they publish and whether information is available free of charge or on payment.

Coatbridge Family Dental Care has adopted the Model Publication Scheme produced by the Scottish Information Commissioner.

You can see this scheme on our website or on the commissioner's website at www.itspublicknowledge.info/ScottishPublicAuthorities/PublicationSchemes/TheModelPublicationScheme.aspx

The purpose of this Guide to Information is to:

- allow you to see what information is available (and what is not available) in relation to each class of information
- state what charges may be applied for supplying information
- explain how you can find the information easily
- provide contact details for enquiries and to get help with accessing the information
- explain how to request information we hold that has not been published

Availability and formats

The information we publish through the Model Publication Scheme is, wherever possible, available on our website www.coatbridgedentist.com. We offer alternative arrangements for people who do not want to, or cannot, access the information online or by inspection at the practice. For example, we can usually arrange to send information to you in paper copy, although there may be a charge for this (see Charges section below). Information can be requested from us by telephone or in writing using the contact details provided (see Contact Us section below).

When writing to us to request information, please include your name and address and full details of the information or documents you would like to receive. Please also include a telephone number so we can call you to clarify any details, if necessary.

Advice on requesting information not detailed in this Guide to Information can be found in Appendix I 'How to access information that is not available under this publication scheme'.

Exempt information

We will publish the information we hold that falls within the classes of information below. If a document contains information that is exempt under The Freedom of Information (Scotland) Act 2002 (FOISA), we may remove or redact the information before publication but we will explain why. Examples of exempt information include requests for information that is contained in patient dental records (although you do have the right to request your

own dental records under the Data Protection Act 2018), requests for information relating to private income of practice partners or practice staff and requests for financial information that would likely prejudice substantially the commercial interests of any person.

Copyright and re-use

Coatbridge Family Dental Care has adopted the Open Government Licence for public sector information <http://www.nationalarchives.gov.uk/doc/open-government-licence/>. This sets out what you can and cannot do with our published information where we are the copyright holder.

Where Coatbridge Family Dental Care does not hold the copyright in information we publish, we will make this clear in this guide.

Charges

Unless otherwise stated in the Classes of Information section below, all information contained within our Guide to Information is available from us free of charge, where it can be downloaded from our website, sent to you electronically by email, or accessed at the practice premises.

We reserve the right to impose charges for providing information in paper copy or on computer disc. Charges will reflect the actual costs to the practice, of reproduction and postage, as set out below. In the event that a charge is to be levied, you will be advised of the charge and how it has been calculated. Information will not be provided to you until payment has been received.

Reproduction costs:

Where charges are applied, photocopied information will be charged at a standard rate of 10p per A4 paper (black and white copy) and 30p per A4 paper (colour copy). Computer discs will be charged at the rate of £1 per CD-Rom.

Postage costs:

We will pass on postage charges to the requester at the cost to the practice of sending the information by first class post.

About Coatbridge Family Dental Care

Coatbridge Family Dental Care is owned and operated by Keith and Gillian Preston and the premises are owned by Keith and Gillian Preston. The dentists working at the premises are Keith Preston, John Broers, Ainsley Robertson and Hannah Wood. The practice is also staffed by a receptionist, a dental hygienist and dental nurses. We operate as a general dental practice providing dental treatment as independent contractors under NHS terms of service and private treatment for adults and children. We offer the following services: general dentistry, tooth whitening, cosmetic tooth alignment and facial aesthetics. We also provide a referral service for other treatments if required.

We claim fees for NHS patients according to the current system (Statement of Dental Remuneration, SDR) set by the government, depending on patient class and exemptions. We are paid monthly fees for the number of patients we have registered and claim fees for individual items of treatment. There are also some allowances available for such things as continuing professional development, audit, rent, rates and practice improvements based on the percentage of NHS care we provide. Out of this income, and income from private treatments, the practice pays the full cost of providing care, including the provision of the building, equipment, materials and staff.

Our standards are assured by NHS regulations relating to our participation in clinical governance, clinical audit and peer review, and by the General Dental Council (GDC) Standards for the Dental Team and requirements for continuing professional development. Our care and treatment are also inspected by the Dental Reference Service of the Scottish Dental Practice Board and our practice is inspected every three years by Lanarkshire Health Board.
